

TRANS-ICELAND 2010: ideas and aims

AIMS of EXPEDITION:

- cross Iceland by foot and packraft
- generate high-quality video footage
- a tough, wilderness expedition within Europe
 - have a lot of fun!

STAGE 1: 3 weeks
Begin hiking inland from Hofn

Crossing the Vatnajökull glacier
(if kit not too heavy, or if it can be done with simple kit)

Kverkfjoll: ice cave source of the river

Packraft down the river

Exit river at Dettifoss

Hike via Myvatn to Akureyri

Resupply in Akureyri

STAGE 2: 2 weeks
Hike to source of Austari Jokulsa river

Paddle down river to north coast

**Continue hiking to west coast of Iceland
The End**

ADMIN:

- dates between 13 June and 31 July
 - flight to Iceland ~£200
 - packraft ~£700
- additional costs: drysuit, trekking gear, food
 - packs will be very heavy with rafting and camping gear and up to 3 weeks' food
- filming and photography to have high priority
- team will be minimum 2 people, maximum 4
